Najaf City

Najaf city is located about 160 km south of Baghdad, it's considered one of the most Islamic Religious sites in the world with many historical and cultural sites that attract many tourists from all over the world.

Najaf International Airport had received more than 8000 domestic and regional flights in 2018 with millions of tourists having a positive impact on Najaf markets and investments.

A photograph of the Najaf International Exhibition Hall. The building is a modern, multi-story structure with a large, curved facade. The upper part of the facade is covered in vertical metal slats. The name of the hall is written in large, white Arabic calligraphy on this slatted section. Above the text is a small, blue and white logo. Below the slatted section is a row of large glass windows. Above each window is a small flag of a different country. In the foreground, two men are walking past the building. The sky is clear and blue.

معرض النجف الأشرف الدولي
